Subject: Re: Board of Works agenda items for 7/26

Thank you, Kevin!

The new street closure request is on Lakeview Drive between Lakeshore Drive and Sierra Drive (pictured below in the yellow highlighted area). We will not block the intersections, allowing the many vehicles that pass through to use Sierra Drive. Please let me know if you have any questions by the end of the day as I will be unavailable on Monday. I have also sent this information to Kelly.

Thank you again!
