PLANNING AND ZONING DEPARTMENT**

**CITY OF LEBANON PLAN COMMISSION  
STAFF REPORT  
DECEMBER 20, 2021 PUBLIC HEARING**

<b>A. Case Number</b>	<b>Docket #21-60</b>
<b>B. Applicant</b>	<b>Golden Eagle Lodging Management, LLC</b>
<b>C. Location</b>	<b>The subject property is located at 1245 W. State Road 32, Lebanon, Indiana 46052.</b>
<b>D. Acreage and Zoning</b>	<b>The subject property contains 2.68 acres and is presently zoned Planned Business Industrial (PBI).</b>
<b>E. Parcels</b>	<b>Parcel 1 – 015-03840-00</b>
<b>F. Existing Land Use</b>	<b>Hotel. The property has been used as a hotel office for quite a long time, which is a permitted use within the Planned Business Industrial (PBI) zoning district.</b>
<b>G. Petition Request</b>	Planning Staff has been approached by the property owner wanting to diversify the offerings within the parcel for a use that is commercial/retail-oriented in addition to the hotel. Because the site is zone PBI, additional uses are very limited. In order to facilitate the use of the site for other commercial/retail uses, Planning Staff indicated that the city would initiate a rezone of the property to Planned Business Commercial (PBC), to allow other commercial/retail uses at the site without further necessary approvals.
<b>H. Ordinance Process</b>	<p><b>Procedural Ordinance Process:</b></p> <p>The Official Zoning Map incorporated by reference in the Unified Development Ordinance may be amended as necessary upon receipt of a petition for rezone signed by the owner of the subject property. The Zoning Map Amendment may be adopted by the Common Council after review by the Plan Commission according to the following procedures.</p> <p>The City of Lebanon Unified Development Ordinance provides review criteria established in Indiana Code 36-7-4-603 to guide the Plan Commission when deliberating a recommendation regarding a proposed rezoning.</p> <p>Criteria 1 – Consistency with the goals, objectives, and policies of the Comprehensive Plan</p> <p>Criteria 2 – Compatibility with adjacent uses and improvements</p> <p>Criteria 3 – Desirability of the proposed land use</p> <p>Criteria 4 – Impact on property values</p> <p>Criteria 5 – Responsible growth and development</p>

**Criteria 1 – Consistency with Comprehensive Plan**

The Future Land Use Map from the Lebanon Comprehensive Plan is used as a guide and represents the desired land use throughout the community. Zoning typically conforms with the land use designation, although it is not required to, and is the legal implementation of the land use. The subject property is designated for “commercial” uses on the Future Land Use Map and promotes a variety of commercial/retail uses.

Staff Finding: The subject rezoning to Planned Business Commercial (PBC) is consistent with the goals, objectives, and policies of the Lebanon Comprehensive Plan.

**Criteria 2 – Compatibility with Adjacent Uses**

Location	Current Zoning	Existing Land Use
North of Subject Property	Planned Business Commercial (PBC)	Commercial Use
South of Subject Property	Planned Business Industrial (PBI)	Commercial Use
West of Subject Property	Planned Business Industrial (PBI)	Industrial Use
East of Subject Property	Planned Business Industrial (PBI)	Commercial Use

Staff Finding: The subject rezoning to Planned Business Commercial (PBC) is compatible with existing uses and zoning on adjacent properties.

**Criteria 3 – Desirability of Land Use**

The rezone to Planned Business Commercial (PBC) is being proposed in order to provide the ability for diverse commercial uses on the property. The proposed zoning district and use would not only be compatible with surrounding land uses but would be a desirable land use given the existing pattern of development.

Staff Finding: The subject rezoning to Planned Business Commercial (PBC) is a desirable land use within the proposed area.

**Criteria 4 – Impact on Property Values**

The continuation of the commercial land use is consistent with others in the vicinity. If approved, the rezoning would ensure the existing commercial use of the property remains.

Staff Finding: The subject rezoning to Planned Business Commercial (PBC) would have no negative impact on property values in the area.

**Criteria 5 – Responsible Growth**

The rezone to Planned Business Commercial (PBC) would provide for the ability to add/change use to other commercial use without further city approval. Any physical changes to the development would still be required to undergo Staff review to confirm all standards are met. The land use is consistent with the surrounding land uses and is served by existing utilities and infrastructure.

Staff Finding: The subject rezoning to Planned Business Commercial (PBC) represents responsible growth and development.

**I. Staff Recommendation**

**Staff Recommendation**
