 Stream Pollution Control Board
 of the State of Indiana

RESOLUTION NO. 9

Filed - by life - sewer construction

RESOLUTION APPROVING CONTRACT FOR LEGAL SERVICES WITH SCIFRES & HOLLINGSWORTH

Be It Resolved by the Board of Public Works and Safety of the City of Lebanon, Indiana, that the City of Lebanon, by and through its Board of Public Works and Safety, enter into and execute the following contract for legal services with Scifres & Hollingsworth, practicing lawyers of the City of Lebanon, Indiana as special counsel, in the furnishing of legal services in the construction of, and the financing of, an improvement and enlargement of the existing sewage facilities of the City of Lebanon, Indiana, which contract is as follows:

CONTRACT FOR EMPLOYMENT

This contract made and entered into by and between the City of Lebanon, Indiana, by and through its Board of Public Works and Safety, hereinafter called City, and Scifres & Hollingsworth, Attorneys-at-Law, City of Lebanon, Indiana, hereinafter called Attorneys, is as follows: Whereas, the City, by and through its Board of Public Works and Safety, maintains a sewage disposal plant and connecting sewers thereto, with discharge of raw sewage into said plant, for the purpose of treatment, and,

Whereas, it has been determined by the Stream Pollution Control Board of the State of Indiana that said plant is inadequate for proper treatment of raw sewage and said Stream Pollution Control Board has executed and served upon the City of Lebanon its final order and determination directed to the City to cease and desist from causing and contributing to the pollution of Prairie Creek, downstream from the points of entry, of said raw and inadequately treated sanitary and domestic sewage, including industrial wastes, into said waters, and that the City shall submit final construction plans and specifications for adequate treatment of said sewage to the Stream Pollution Control Board for review by April 15, 1957, and start construction of approved facilities by August 15, 1957, and complete the construction of said facilities on or before August 15, 1958, and,

Whereas, the said Attorneys have heretofore furnished services to the City pertaining to said matters, and the City desires to employ the services of said Attorneys, as special counsel, in all legal matters pertaining to the construction of said facilities and the financing thereof, and,

Whereas, the City has heretofore employed the services of Paul J. Kleiser and Associates, by contract, to prepare the plans and specifications, and to furnish all necessary engineering services in connection with such work, and said engineering firm is now about to commence work on its plans and specifications,

NOW be it understood that the City, by and through its Board of Public Works and Safety, hereby hires and engages the services of said Attorneys, and said Attorneys do hereby agree to furnish to the best of their ability all necessary and legal services in connection with legal matters pertaining to such construction, and letting of contracts, and defending all litigation of any matters, and to represent the City generally, as to all matters pertaining to such work, including the issuance and sale of bonds to obtain necessary financing, and as consideration the City agrees to pay to said Attorneys for such services, as soon as the bonds necessary to be issued and sold for such purpose shall be sold, an amount equivalent to two per cent (2%) of the amount of the bonds which will be issued and sold for such purpose.

In Witness Whereof, the parties hereto have set their hands this 14th day of January, 1957.
