Agreement

Filed - Sewage Project

THIS AGREEMENT made the tenth day of July in the year nineteen hundred fifty seven by and between C & C CONSTRUCTION COMPANY, INC., FORT WAYNE, INDIANA, hereinafter called the "Contractor" and the CITY OF LEBANON, INDIANA, hereinafter called the "Owner."

WITNESSETH, that the Contractor and the Owner for the consideration stated herein agree as follows:

ARTICLE I. SCOPE OF WORK -- The Contractor shall furnish all the materials specified and perform all of the work shown on the drawings and described in the specifications entitled "sewerage Improvements", "Contract B" on file with the City Clerk of the City of Lebanon, Indiana, with supplementary addenda and exhibits, as prepared by Paul W. Kleiser & Associates Consulting Engineers, acting as and in these contract documents entitled the Engineers, and the Contractor shall do everything required by this agreement and the contract documents.

ARTICLE II. The Contractor shall commence work under this contract on a date to be specified in a written order of the Engineer, and shall fully complete all work thereunder within three hundred sixty-five (365) calendar days from said date.

ARTICLE III. THE CONTRACT SUM--The Owner will pay, and the Contractor shall receive, in full compensation for furnishing all the labor, material, and other means or facilities, for furnishing and removal of all plant temporary works or structures, tools, and equipment, for performing and completing all the work that is necessary or proper to be furnished or performed in order to complete the entire work in the contract described and specified in said specifications and on the drawings and also for the loss or damage arising out of the nature of the work aforesaid and from the action of the elements or from any unforeseen difficulties encountered in the prosecution of the work, for all risks of any description connected with the work, and for all expense incurred by or in consequence of the suspension or discontinuance of the work herein specified, in funds derived from the sale of sewer revenue bonds, as follows:

Base Proposal (as bid): Six Hundred Thirty-Nine Thousand, Nine Hundred Eighty Dollars and No Cents (\$639,980.00).

The base bid, however is altered by the following exceptions:

1. For the use of Walker Process Equipment, Inc., Grit Collector, 2(b), in lieu of Jeffrey Mfg. Co. Grit Collector, 2(a), which reduces the base bid Three Hundred Dollars and
