RESOLUTION NO. 21 - RESOLUTION DIRECTING THE IMPROVEMENT OF CERTAIN STREETS AND ALLEYS IN THE CITY OF LEBANON, INDIANA.

WHEREAS, it has been found by the Common Council of the City of Lebanon, Indiana that the following streets and alleys are in need of repair:

Streets: Meridian Street from South Street to Washington Street;  
Washington Street from Lebanon Street to East Street.

Alleys: The East and West alley between Main Street and Washington Street from West Street East to the first intersecting North and South alley; the East and West alley between South Street and Main Street West from East Street to Meridian Street; the North and South alley between Lebanon Street and Washington Street from Main Street to South Street.

WHEREAS, it has further been found that said streets and alleys can best be repaired and improved by the application of a hot mix black top across the entire width thereof, now therefore:

BE IT RESOLVED by the Common Council of the City of Lebanon, Indiana, that:

SECTION I: The Board of Public Works and Safety prepare plans for and determine the cost of the repair and improvement of said above set out streets and alleys by the application of a hot mix black top across the entire width thereof, the work thereon to be a part of the 1958 general street repair and improvement program.

SECTION II: This resolution shall take effect from and after its passage.

Passed by the Common Council and approved by me this 14th day of April, 1958.
