

BE IT ORDAINED, by the Common Council of the City of Lebanon, Indiana two-thirds of its members being present and concurring therein that:

SECTION 1. There is hereby established an equalization fee for tapping into the sanitary sewer system of the City of Lebanon, Indiana and such fee shall be as follows:

Residential Lot fees shall be \$200.00; provided, however that whenever anyone who is not being served by sanitary sewer at the time of the passage of this ordinance shall be permitted to tap said sewer for a fee of \$35.00; provided, further, that in the event said tap is not made within one (1) year after this ordinance becomes effective, as above set out, then said fee shall revert to \$200.00.

Equalization fee involving Commercial or Industrial operation shall be set by the Board of Public Works and Safety or the Lebanon Utility Service Board or, in event of disagreement, by the joint action of said Boards,

said sums shall be payable before the tapping of any sewer, after permit issued, at the office of the Building Inspector of the City of Lebanon, Indiana; provided, however wherever any real property has heretofore been or may hereafter to be assessed for the extension of a lateral sewer to it and did not at that time tap into said lateral sewer then said assessment shall relieve said property of the obligation of paying the above fees. Provided, further, that where the owners of three or more properties construct a lateral sewer in accordance with the regulation of this ordinance which lateral sewer is accepted by the City then the above set-out equalization fee shall not be charged; provided that a permit shall be secured for such sewer.

SECTION 2. A lateral sewer is hereby defined to be a sewer line which serves or may serve three or more properties and is of less than ten (10) inches in diameter; provided, however, that no lateral sewer shall be installed which is any less than eight (8) inches in diameter. Should any such lateral sewer line cross private property, the owners of such property shall take the same the entire length or width of said properties and grant to the City an easement of at least ten (10) feet in width along said line for the repair and maintenance thereof; provided, that any such lateral sewer shall include a manhole at its point of tapping of any interceptor sewer and every 400 feet of the length thereof and also a manhole or lamphole at the end thereof. Where any lateral sewer is installed hereunder, by the owners of three or more properties as set out in Section one (1) hereof the owners thereof shall submit complete detailed plans to the Building Inspector before any permit is issued therefor and said lateral sewer shall be inspected by the Building Inspector before the same is accepted by the City.

SECTION 3: All Sums collected hereunder shall be deposited in and become a part of the Sewage Works Depreciation Fund.

SECTION 4: All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 5: Any person, firm or corporation violating any of the provisions of this ordinance shall be fined not more than \$300.00 and be subject to imprisonment in the county jail for not more than six (6) months. Each days violation hereof shall be a separate offense.

SECTION 6: This ordinance shall take effect from and after its passage by the Common Council, approval by the Mayor and publication according to law.

Passed by the Common Council and approved by me this 24th day of November, 1958.
