PETITION NO. 1

Filed-Petitions

January 11, 1961

The Common Council
of
Lebanon, Indiana

Gentlemen:

Could you grant us the favor of putting a light on one of the poles near your transformers, which is the end of the alley, on our drive-way lot?

To do so would:

- A. Make too much light for "lovin' parkin".
- B. Provide much needed light in case of fire.
- C. Make walking thru safer for the kids after dark.

With the increase in petty misdemeanors across the state in general, the placing of this light will act as pretty cheap policing of the area.

Mr. Burrin and Mr. Cassell have both looked the place over and are in a position to give you more details as to what would be involved and the value of the suggestion.

Respectfully,

Boone Grain & Seed Co. Inc.
