Adopted by the Common Council this 1st day of December, 1965.

H. L. Ransdell
Mayor

ATTEST:

Laura E. Hughes
Clerk-Treasurer

AGREEMENT FOR FIRE PROTECTION SERVICE

This agreement made and entered into this 22 day of November, 1965, by and between the Town of Ulen, Boone County, Indiana, acting through its Board of Trustees, hereinafter referred to as "Town", and the City of Lebanon, Indiana, acting through its Board of Public Works and Safety, and hereinafter referred to as "City",

WITNESSETH AS FOLLOWS:

WHEREAS, said Town owns and maintains all of the underground utilities, including the underground water distribution system and fire hydrants, and said City has no capital investment whatsoever in any of the utilities located in said Town, and

WHEREAS, said Town does not have any fire department and owns no fire fighting equipment of any kind whatsoever, and

WHEREAS, it is the desire of said Town to obtain fire protection service for its inhabitants from the City, and

WHEREAS, it is agreeable with said City to offer and make available to the residents of said Town the fire fighting equipment and personnel of said City upon the following terms and conditions, to-wit:

NOW THEREFORE, it is hereby mutually covenanted and agreed by and between said parties, each in consideration of the covenants of the other herein contained, and of the payment of the sum of money hereinafter set forth by said Town to said City as follows:

1. That said City will, during the term of this agreement, cause to be issued to its fire department a standing order to heed and respond to fire alarms or calls which are received by it reporting fires originating within the limits of said Town, and said order will direct the fire department to dispatch such equipment and personnel to such location within said Town as may be necessary for the purpose of extinguishing such fires; provided that said City shall be responsible only for seeing that due diligence is used by its department in answering said calls and that the personnel of said fire department shall use its best efforts considering the equipment available and current techniques to extinguish any such fire; provided further, it is understood and agreed by and between the parties hereto that in the allocation and dispatching of the personnel and equipment of the Lebanon Fire Department to answer fire alarms and calls pursuant to this agreement, first preference shall be given to the calls and alarms emanating from the City of Lebanon; and that the fire chief of said City shall have absolute and complete discretion to determine where and when said equipment and personnel is most needed and where and when the same shall be dispatched.

2. This agreement shall cover the period from the 1st day of December, 1965, through the 30th day of November, 1966, and shall continue from year to year thereafter until terminated by written notice of either of the parties hereto as herein provided. During the continuance of this contract from year to year after the 30th day of November, 1966, the annual fee provided for such
