

Section 3: Section 16-55.3A shall read as follows:

The Board of Public Works and Safety, as the traffic control authority for the City of Lebanon, Indiana, shall be authorized to take the following actions regarding vehicle parking in areas other than the downtown traffic area:

1. Whenever the owner of any business located outside the downtown traffic area, as defined by City ordinance, petitions the Board for restricted parking, the Board of Public Works and Safety may designate restricted two-hour parking adjacent to said business where possible giving consideration to past and present traffic patterns and the general welfare and safety of the public in the area where restricted parking is requested. The area of restricted parking established by the Board of Public Works and Safety shall be bounded by appropriate signs designating restricted parking between these signs and shall include no more than two (2) vehicular parking spaces. The same maximum duration of two (2) hours shall apply to said spaces as is applicable to the downtown traffic area. For purposes of Section 16-55.3A only, the word "business" shall mean retail establishments, wholesale establishments, professional offices, insurance offices and real estate offices. The petition presented to the Board shall include notifications to, and acknowledgements by, surrounding property owners who may be affected by the granting of such a request. Surrounding shall be defined to mean residents within the block area on both sides of the street, where the business fronts or has its principal place of operation.
2. Upon restriction of parking as set forth herein, the Board of Public Works and Safety shall give appropriate notice by signs and markings setting forth the time restrictions established by this ordinance, provided, however, the City of Lebanon shall be reimbursed by the owner(s) of the business(es) affected for the cost of implementing the request for restricted parking, including, but not limited to, signage, the marking expense of streets and curbs, and the costs of publication of the penal nature of the ordinance passed for purposes of enforcement.
3. Enforcement of restricted parking outside of the downtown business area may be accompanied by complaint by any person by filing in the Lebanon City Court an affidavit setting forth the nature of the offense which occurs in any spaces allocated pursuant to this ordinance.

Section 4: This ordinance shall be in full force and effect after its approval by the Common Council and any publication required thereof by law.

ALL OF WHICH IS CONSIDERED AND PASSED BY THE COMMON COUNCIL OF THE CITY OF LEBANON, this 11th day of November, 1985.
