

future for the last year of the contract, and

WHEREAS, the City of Lebanon, Indiana, has in the past subsidized the amount of the residential surcharge to pay the difference between the currently imposed residential surcharge rate of Three Dollars (\$3.00) pursuant to Section 10-41 of the Lebanon City Code, and the current expense outlay of the residential surcharge, and

WHEREAS, the Common Council finds that it is no longer able to subsidize this particular service to the citizens of Lebanon and that the cost of service provided to each household for residential solid waste disposal should be borne by those parties which participate in the service and that the program should pay for itself, and recognizing that several other communities have waste disposal charges far in excess of the amount proposed herein,

NOW, THEREFORE, THE COMMON COUNCIL OF THE CITY OF LEBANON HEREBY ORDAINS THAT THE LEBANON CITY CODE SHALL BE AMENDED AS FOLLOWS:

Section 1. Section 10-41(a) shall be amended to reflect that the residential surcharge for the cost of solid waste disposal per residential unit outlined in the Lebanon City Code shall be amended on an annual basis to automatically read that amount of cost per residential garbage pickup at a residence within the City covered by the contract specifications as specified by the current waste collection contract between the City of Lebanon and the then qualified and acting waste disposal contractor. It is the intent of this provision that it include the full cost associated with the program of residential waste disposal. The same shall be considered to include that amount which the disposal contractor agrees to, via contract agreement with the City of Lebanon, each year, to include any increases built into the contract specifications billed upon the latest consumer price index outlined in the bid specifications for the original contract.

Section 2. The residential surcharge shall continue to be collected through the billing department of the Lebanon Utilities as outlined in the Lebanon City Code and the provisions therein shall otherwise be unaffected by the passage of this ordinance.

Section 3. This ordinance shall be in full force and effect from and after its passage and any publication which may be required of the same by law.

ALL OF WHICH IS CONSIDERED, APPROVED AND ADOPTED BY THE COMMON COUNCIL OF THE CITY OF LEBANON, STATE OF INDIANA, this 8th day of October, 1990.
