

Ordinance No. 94- 14

AN ORDINANCE AMENDING THE TRAFFIC CODE

Section 3: The Board of Public Works and Safety is directed to cause the installation of appropriate signage to inform the general public of the change of traffic regulations pertaining to

these intersections so named, all as located in the City of Lebanon, State of Indiana.

Section 4: Traffic at the intersection of Evelyn Way and Caraway Street will be controlled by a three-way stop sign with signs to be placed on Evelyn Way in a southerly direction, and on Caraway Street in an easterly and westerly direction so as to create a three-way stop accordingly.

Section 5: Traffic at the intersection of Campbell Street and Caraway Street will be controlled by a three-way stop sign with signs to be placed on Campbell Street in a southerly direction, and on Caraway Street in an easterly and westerly direction so as to create a three-way stop accordingly.

Each time of the offense shall constitute a new and separate offense.

Section 8: This ordinance shall be in full force and effect from and after its passage and any publication which may be required of the same by law.
