

Ordinance No. 95-~~X~~||

AN ORDINANCE AMENDING THE TRAFFIC CODE  
TO SET SPEED LIMITS ON A PUBLIC STREET

WHEREAS, Enterprise Boulevard will soon become a major thoroughfare in the Lebanon's Industrial Park; and

WHEREAS, the Board of Public Works and Safety for the City of Lebanon, Indiana, has determined that because Enterprise Boulevard will in the future be heavily traveled and because the Board recognizes additional traffic concerns which will soon become apparent, a change in the traffic code is necessary in order to establish speed limits upon said Enterprise Boulevard; and

WHEREAS, the Board of Public Works and Safety for the City of Lebanon, Indiana, and the Common Council, pursuant to all applicable sections of the Indiana Code and the Lebanon City Code, may regulate by ordinance the traffic of motor vehicles in the City of Lebanon; and

WHEREAS, a necessity exists for the implementation of signage and notice to the general public along with the establishment of speed limits on this particular street, all for the public safety of the citizens of the City of Lebanon, State of Indiana.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF PUBLIC WORKS AND SAFETY AND THE COMMON COUNCIL OF THE CITY OF LEBANON, INDIANA, that:

Section 1: Enterprise Boulevard shall be posted under a thirty mile per hour (30 mph) speed limit from State Road 32 South through and to the intersection of Mt. Zion Road in the City of Lebanon, Indiana.

Section 2: Traffic signs shall be installed along said Enterprise Boulevard to inform the public and travelers thereon of the posted speed of 30 mph.

Section 3: The Board of Public Works and Safety is directed to cause the installation of appropriate signage to inform the

general public of the change of traffic regulations and the traffic speed pertaining to said public street.

Section 4: A violation of the provisions of the City Code and the traffic code pertaining to this traffic regulation, occurring after the adoption and effective date of this ordinance, shall amount to a traffic violation and a fine shall be imposed as set by the Lebanon City Court for like offenses. Each time of the offense shall constitute a new and separate offense.

Section 5: The traffic code of the City of Lebanon shall be amended and supplemented to reflect the speed limit on Enterprise Boulevard and all other affected ordinances shall be likewise amended or supplemented to reflect this change.

Section 6: This ordinance shall be in full force and effect from and after its passage and any publication which may be required of the same by law.

ALL OF WHICH IS CONSIDERED, APPROVED AND ADOPTED BY THE COMMON COUNCIL OF THE CITY OF LEBANON, INDIANA, this 9th day of October, 1995.
