

## Ordinance No. 99-4

### AN ORDINANCE AMENDING SECTION 24 OF THE LEBANON CITY CODE

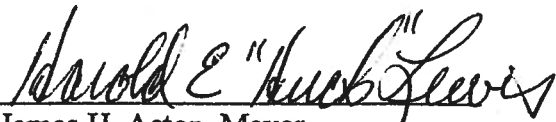

BE IT ORDAINED, by the Common Council of the City of Lebanon, Indiana, as follows:

- I. That Section 24, Subdivision Regulation, of the Lebanon City Code is hereby amended to update the design and construction standards in the following Articles:
1. Art. IV. Principals and Standards of Design (§§24-61-24-79)
  2. Art. IV., Section 24-68 Commercial and Industrial Subdivisions
  3. Art. V. Standards for Improvements and Installations (§§ 24-80-24-101)
- II. The addition of drawings of design and construction standards to these sections of the Lebanon City Code shall serve as visual clarification of the respective designs standards.
- Where apparent discrepancies occur between the written text and the drawings, the drawings with their respective notes shall supercede the written descriptions of standards previously adopted.
- III. The drawings of design and construction standards shall be known as the "Lebanon Standards" and these drawings shall be reviewed on or about every two years by the City and Lebanon Municipal Utilities.
- IV. The drawings of design and construction standards shall be able to be modified or changed to reflect changes in construction technology, material designs and availability changes without the repeal or modification of this ordinance.

Such changes or modifications shall be accomplished with modification to the respective drawings and notes after public comment is collected and notice of such modifications given.

This Ordinance shall take effect from and after its date of passage and any publication required by law.

Dated this 8<sup>th</sup> day of March, 1999.

  
James H. Acton, Mayor
