VARIANCE FROM DEVELOPMENT STANDARDS

PROPOSED FINDINGS OF FACT

Pursuant to state statute and the Lebanon Unified Development Ordinance, the Board of Zoning Appeals must find that each of the following conditions is satisfied in order to grant a variance from the development standards in the Ordinance. It is your burden to demonstrate that each of these factors is satisfied. In the space provided, please indicate how you believe the facts or circumstances in your case satisfy each factor.

Attach additional sheets if needed.

1. The approval will not be injurious to the public health, safety, morals, and general welfare of the community.

The variance request is to more equally divide the two properties.

2. The use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner.

The lots will be more easily developed.

3. The strict application of the terms of the Unified Development Ordinance will result in practical difficulties in the use of the property.

The request is to more equally divide the two properties so they are developable
