**Des. No.: TBD**

To Whom It May Concern:

The City of Lebanon, is requesting Federal Funds for the construction of corridor improvements to CR 300N between Witt Road (CR 150W) and SR 39.

The City of Lebanon and Indiana Economic Development Corporation (IEDC) have agreed that the proposed LEAP district will impact the CR 300N corridor and improvements to the roadway will be necessary. Therefore, the Indiana Economic Development Corporation has agreed to provide the local match if federal funds are awarded to the project as submitted for this funding request. The estimated disbursements are represented below.
