CONDITIONAL USE STAFF REPORT
MAY 1, 2023 PUBLIC HEARING**

A. Case Number:	Docket #23-32
B. Applicant:	Robert & Tracey Trantum for 6thholdings, LLC
C. Location:	The location of the subject property is 211 E Washington Street, Lebanon, IN 46052.
D. Acreage and Zoning	The subject property is approximately 7,400 square feet (0.17 acres). The property is currently zoned Central Business (CB) and in the Downtown Overlay District.
E. Property History:	Board of Zoning Appeals This is the first time this petition has appeared in front of the City of Lebanon Board of Zoning Appeals. The subject property includes an approximately 2,000 square foot single-family home with 4 bedrooms and 2 full baths. The rear of the property contains an addition to the adjacent First Baptist Church building.
F. Conditional Use Determination:	Petitioner Request: Conditional Use The applicant is seeking Conditional Use approval to allow the existing home to be used as a Boarding House. A Boarding House is defined as an establishment offering rooms for rent, where meals are regularly served from a single kitchen (not open to the general public) for compensation for three (3) or more persons, but not exceeding twelve (12) persons. Boarding Houses do not include bed and breakfasts, multi-family dwellings, hotels, or motels. Boarding Houses are listed as a conditional use within the CB zoning district, thus a Conditional Use application to the Board of Zoning Appeals is warranted.
G. Conditional Use Evaluation:	Conditional Use Evaluation Criteria Unified Development Ordinance Section 9.5. B-Procedures The following evaluation criteria must be complied with prior to the issuance of any Conditional Use approval: Evaluation Criteria-1 The proposed use is listed as a Conditional Use for the particular zoning district of the subject site Per the Unified Development Ordinance (UDO), the Land Use Matrix in Section 4.2 requires a conditional use application for Boarding Houses in the Central Business zoning classification.

Evaluation Criteria-2 The established, maintenance, or operation of the Conditional Use will not be determined to or endangered the public health, safety, morals, or general welfare of the community.

The applicant's proposal for boarding house will not be detrimental to the public health, morals, or general welfare of the community. The four bedroom, two bath home has adequate facilities for the proposal by the applicant.

Evaluation Criteria 3-The Conditional Use will not be injurious to the use and enjoyment of the other property in the immediate vicinity for lawfully-permitted purposes, nor substantially diminish or impair property values within the neighborhood and zoning district.

The applicant's proposed boarding house use will not impair the use and enjoyment of other properties in the immediate vicinity or the property values in the neighborhood and zoning district. The subject property is bordered on the west by a church building, the north by a bank, and to the south and west by a mix of single-family and multi-family uses. The proposed boarding house use would seem to fit with the variety of commercial and residential uses within the area.

Evaluation Criteria 4-The establishment of the Conditional Use will not impede or substantially alter the normal and orderly development and improvement of surrounding property for uses permitted in the zoning district.

The applicant is not proposing to make any exterior modifications to the single-family residential structure that would impact the surrounding uses. In addition, in order to maintain the single-family nature of the structure, Staff is recommending limiting the four-bedroom home to no more than 4 boarding house "units" and no more than 4 tenants or one per unit.

Evaluation Criteria 5-Adequate utilities, access roads, drainage, and other necessary facilities have been or will be provided.

All required utilities and transportation infrastructure is already provided to this site.

Evaluation Criteria 6-The proposed use is not in conflict with the goals of the Comprehensive Plan or the Unified Development Ordinance.

The proposed use is not in conflict with the City of Lebanon Comprehensive Plan or Unified Development Ordinance. The Comprehensive Plan identifies this area as appropriate for commercial uses.
