WHEREAS, the LEAP Phase 7 Annexation Area is part of a transformational economic development opportunity for the State of Indiana, Boone County, and the City and the Council support the proposed development and use of the LEAP Phase 7 Annexation Area in order to attract and support new business investment, with a focus on attracting advanced manufacturing, agri-science, bioscience, and other “economy-of-the-future” businesses that will yield a diversified tax base and high paying job opportunities for local residents; and,

WHEREAS, the LEAP Phase 7 Annexation Area consists of five (5) separate parcels containing a total of approximately 180.76 acres owned by two (2) landowners, not including the adjacent public roadways. The LEAP Phase 7 Annexation Area is identified more particularly in **Exhibit A** and **Exhibit B**; and,

WHEREAS, the LEAP Phase 7 Annexation Area does not include any parcel of land for which its owner(s) have not filed an express written consent to this annexation; and,

WHEREAS, as authorized by Section 1.8(B) of the City’s Unified Development Ordinance, the Council has received and considered a Development Proposal/Concept Plan which provides sufficient information about the intended development and use of the LEAP Phase 7 Annexation Area to justify the assignment of the LEAP Lebanon Innovation Planned Unit Development District zoning classification to the annexed area; and,

WHEREAS, the City of Lebanon Advisory Plan Commission held a duly and timely noticed public hearing regarding a recommended zoning classification for the proposed annexation area at its regularly scheduled meeting on September 18, 2023 and forwarded Docket 23-66 to the Council with a favorable recommendation to assign the LEAP Lebanon Innovation Planned Unit Development District zoning classification for the LEAP Phase 7 Annexation Area; and,

WHEREAS, in accordance with Indiana Code § 36-4-3-5.1(e), on September 25, 2023, the Council held a daily and timely noticed public hearing regarding the petition for annexation of the LEAP Phase 7 Annexation Area; and,

WHEREAS, the Council has adopted a fiscal plan for the annexation of the LEAP Phase 7 Annexation Area in accordance with Indiana Code § 36-4-3-3.1 (Resolution _____); and,

WHEREAS, the Council has determined, after due consideration, that this annexation satisfies the contiguity requirements of Indiana Code § 36-4-3-1.5, as shown more particularly in **Exhibit C**, attached and incorporated here by reference; and,

WHEREAS, parts of the LEAP Phase 7 Annexation Area are contiguous to public roadways and rights-of-ways, and under Indiana Code § 36-4-3-1.5(b), those portions of such roadways and rights-of-way are to be annexed into the City; and

WHEREAS, the Council has considered the statutory criteria for annexation and finds that the legal process and requirements for this super-voluntary annexation have been satisfied; and,

Per request of the Indiana Economic Development Corporation ("IEDC"), American Structurepoint, Inc., has reviewed the information provided by, and available from, the City of Lebanon, Indiana (the "City") and the law firm of Taft, Stettinius and Hollister ("Taft") to determine whether the parcels identified in the attached map, if annexed into the City of Lebanon, would comply with the contiguity requirements set forth in IC§ 36-4-3-1.5(a).

Based upon the information available, reviewed, and provided (which is commonly relied upon in the industry), at least one-eighth (1/8) of the external boundaries of the proposed territory to be annexed ("Territory") coincides with the existing boundaries of the City, thereby satisfying the contiguity requirement of IC§ 36-4-3-1.5(a) to support the voluntary annexation of such parcels into the City.

We are available at your convenience to answer any questions or further discuss this matter.

Sincerely,
