

	Lebanon Fire Department Rules and Regulations Promotion/Rank Deferrals	Date Adopted: 8/14/2023
		Date Revised:
		Administrative Section 1
		SOG #110.10

PURPOSE:

Establish a fair and equitable process for a promotion or rank deferral.

PROCESS:

Personnel may defer a promotion to a tested rank once and remain in their ranked position. If a person defers a second time, they will surrender their ranked position on the list and will be moved below the current last ranked position. A third deferral will result in removal from the active promotional list.
