### Scope Items & Unit Breakdown

Description	Quantity	Bid Price
Steel Siding/EIFS - prepare and apply two coats of paint as specified to steel siding.	6,000.00	\$16,500.00

**Base Bid: \$16,500.00**

### Bid Details & Alternates

Alternates: No alternates requested and no alternates offered.

Scope: All exterior steel siding, EIFS, gutters, and downspouts and items attached to the siding. Pressure wash, DTM primer or PPG SealGrip Gripper, and paint two coats of PPG AcriShield Max ES.

Terms: All applicable state and federal taxes are included if required. All work will be performed in a workmanlike manner as described in the PDCA standards found at PDCA.org. This bid includes all materials not owner supplied, equipment, and labor to complete the scopes listed per plans and specifications. All line item pricing is for reference only - deductions are only to be made upon prior, written agreement. Items not clearly stated above or clearly represented by the architect as "Field Painted" in the plan pages should not be assumed are included in our quote.
